

Dear Business Owner,

On September 1, 2008, the Downingtown East High School Cross Country, along with the Chester County Running Store, will be holding a road race in West Chester. There will be a 4 mile race, as well as a 2 mile walk and three kid's races.

We are contacting you on behalf of the DEHS X/C and the fundraising team to request your support in the form of a tax-deductible donation. Proceeds from the race will help purchase additional training equipment and individual warm-ups. There are two forms of donation available:

1. A gift certificate or merchandise- this donation will be used as a prize to age group winners.
2. A \$150 donation or \$200 in services- this donation will put your company/business name and logo on the back of the race t-shirt. You will also be listed on the race entry form. T-shirts are guaranteed to all who pre-register. Services will be used as prizes to age group winners.

In recognition of your generosity, donors will be listed for handy reference by race participants. We would appreciate any donation you would be kind enough to provide to make our fundraiser a success. Please call 610-594-9033(Kathleen Greaney) to arrange for us to pick up your donation or alternatively, donations can be sent to DEHS XCTF c/o Kathleen Greaney 103 Crump Rd. Exton, Pa 19341. If you have any questions, please contact Kathleen Greaney at 610-594-9033(H) or 610-212-3729(C). We are hoping for all donations by August 12th.

We thank you for your time and consideration. Please accept our deepest thanks for any support that you can provide.

The DEHS XCTF Booster Club
